

Lan-Oak Park District Spring 2025

Park Notes

COMING SOON...

It's construction season and your park district is adding another Destination Park!

Bock Park, located at Chicago Avenue and 175th Street, will be the new home of an outdoor basketball facility. The park will boast four 3-on-3 courts and three shot courts, along with a new parking lot and picnic shelter. The project will begin very soon and is currently expected to be finished by the end of June, weather permitting. This new basketball facility will be located north of the Paws 'n Play Dog Park.

In 2016 the park district committed to offering a wide variety of outdoor amenities allowing residents to enjoy their favorite sport or try something new. Since 2016 Lansing parks have added sand volleyball, new tennis courts, eight pickleball courts, two bocce pits, a StoryWalk feature, a SMART playground, horseshoes/bags, a dog park, outdoor musical instruments, a skate park, a BMX pump track, and an all-inclusive playground. These amenities joined already existing softball fields, fishing, a winter sledding hill, walking paths, and a 3-mile bike path. Get out this summer and have some fun in Lansing parks.
